Approval Summary

Tūnga whakamana
 Accreditation status

Tautohu ID number	129392-1
Taitara Title	Reduce material waste in a construction environment (Micro-credential)
Momo Type	Micro-credential
Rangatira Owner	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council (6046)
Kaupae Level	02
Whiwhinga tapeke Total credits	3
Tapeke hāora ako Total learning hours	30
Whāinga Aim	<p>The purpose of this micro-credential is to recognise the skills and knowledge needed to reduce material waste in a construction environment.</p> <p>A construction environment is any environment where construction, modification, or maintenance of buildings, structures, or infrastructure assets takes place.</p> <p>This micro-credential is suitable for both new learners and those already in the workforce who are looking to build or formalise their knowledge of waste reduction practices. It is designed for people working in or preparing to work in a construction environment, including apprentices, suppliers and anyone with an interest in reducing waste who want to adopt more sustainable approaches.</p>
Kiko Content	<ul style="list-style-type: none"> - Benefits of waste reduction - Common types of waste in a construction environment - Recyclable materials on-site - Recycling practices - Designing waste out of construction and practical ways to reduce waste - Waste prevention - Identification and handling of hazardous materials

- Material Safety Data Sheets (MSDS).

Putanga Outcome

On successful completion of this micro-credential, learners/ākonga will be able to reduce waste in a construction environment through their ability to identify recyclable materials, apply a waste reduction plan, and describe the environmental, social, and financial benefits of minimising waste.

Paeuru Entry

There are no mandatory entry requirements for this micro-credential. However, learners should be engaged in or intending to work in a construction environment.

Paerewa Standards

Ko te/ngā paerewa o tēnei hōtaka, tohu moroiti rānei, ka aromatawaihia:

The standard(s) assessed in this programme or micro-credential are:

Tau ID Number	Taitara Title	Tūnga Status	Putanga Version	Kaupae Level	Whiwhinga Credits
40291	Reduce material waste in a construction environment	Registered	1	2	3
				Total Credits	3

Tohu Awards

Ko ngā tohu, ngā tohu-moroiti hoki rānei kua oti hei wāhanga o tēnei hōtaka:

Qualification(s) and/or micro-credential(s) completed as part of this programme:

Tohutoro Reference	Taitara Title	Kaupae Level	Whiwhinga Credits
5388 - 1	Reduce material waste in a construction environment (Micro-credential) - Waihanga Ara Rau Construction and Infrastructure Workforce Development Council	2	3
